

LEE'S SUMMIT HIGH SCHOOL

2016 PROJECT GRAD

Dear Lee's Summit High School Senior Parents:

Project Grad is the after-graduation CELEBRATION for the Senior Class of LSHS each year sponsored by the LSHS PTSA. This event allows the Seniors to celebrate together, one last time, in a fun, safe, drug and alcohol free environment. PTSA and volunteer parents provide the leadership and manpower to organize this very important event. This celebration will be held on May 18th following graduation. The event will last from approximately 10 p.m. – 5:30 a.m. Buses will provide transportation to the event and will bring the graduates back to LSHS. Specific activities are still being planned but the night will include a hypnotist, inflatable games, sports activities, gaming, food, prizes (and we're not talking Chuckie Cheese style prizes - these items ROCK!) and best of all...it's free!

At Lee's Summit High School we work hard to make this party the event of the year for Seniors and historically we have excellent participation rates with about 80% of Seniors attending this event. Our goal this year is to increase that and we need your help. To feed and provide fun for over 400 young adults takes time and money. We have completed our primary fundraiser last summer with our fireworks tent and with the help of LSHS Administration providing a significant donation from registration fees. We're working to solicit donations from Lee's Summit area businesses and have had several fundraisers at local restaurants. There are 453 students in the 2016 LSHS graduating class and the students look forward to this event to culminate their senior year. This type of event requires help from many to be a success. There are multiple ways that you can help at this time:

- **Please consider volunteering** to help with this worthwhile event. Sign up via the sign up genius: <http://www.signupgenius.com/go/30e0b4eada72ca31-lshs> You'll have a great time and your Senior will appreciate your support! Please note there are some slots to donate drinks and Hershey Bars for those who can't help at the actual event.
- **Please consider making a monetary contribution** as your student, the friends they've grown up with and our community will benefit directly from this safe, drug and alcohol free event. Our goal is for every Senior to participate, have a great time and possibly walk away with an awesome prize to take home. All Seniors are admitted free of charge so every graduating Senior can participate and enjoy the all-night event safely with their friends! Parent support is crucial to not only our financial position but to let the kids know we support this drug and alcohol free event for them to gather one last time to say good-bye as they take these next steps into their future as young adults!
- **Please consider eating at Waldo Pizza on April 5 or at Buffalo Wild Wings anytime**. Both businesses are donating a portion of your check back to us for Project Grad. For Waldo Pizza - all who present the coupon (either printed on paper or electronically) found on the Lee's Summit High School website at <http://www.lshsptsa.com/> all day, Tuesday, April 5 get 10% of their food checks donated. For Buffalo Wild Wings, if you mention Lee's Summit High School they donate 10% of your food check to us. No coupon needed.

Graduation will be here before you know it so we need funds and volunteers now. Please send your donation and sign up to volunteer as soon as possible to the address listed below.

Thank you in advance for your support!
